Basic Online Resources

www.family.org Focus on the Family recently had a marriage seminar. There are radio broadcasts of portions of it, including two from Beth Moore (covering an excellent section on Expectations) as well as a couple from Mary Hunt on finances. Mary had over \$100,000 in credit card debt not including fees and penalties . . . “When money is the problem, money is not the problem” She and her husband fixed what ailed them, paid all back and her ministry is now in this area. Rest of site is great.

www.familylife.com Dennis Rainey . . . Excellent resource.
